INTERNSHIP IN VETERINARY CLINICAL SCIENCES (I.P.S.A.V. - 259016)
2020-2021

JANUARY 15th, 2020: DEADLINE TO RECEIVE FULL APPLICATION

POSITION: EMERGENCY AND CRITICAL CARE INTERNSHIP

NUMBER OF POSITIONS AVAILABLE: 1

DESCRIPTION:
This internship in veterinary clinical sciences is an intensive clinical training program in emergency and critical care of 12 months (53 weeks) duration. A certificate is awarded upon completion of the program. The program includes clinical training and participation in clinical teaching rounds and teaching laboratories. Interns will work in the Centre Hospitalier Universitaire Vétérinaire (CHUV) and will be supervised by clinicians, professors and the program coordinator. The intern will be expected to work days, evenings and weekends on a rotating basis. Interns are eligible for three non-consecutive vacation weeks determined by the program director. Any professional activities performed outside the internship program must be declared to the associate dean for clinical training and continuing education.

REQUIREMENTS:
- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or equivalent clinical experience (2 years)
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Working knowledge of French- written and verbal

TUITION FEES (Amounts shown are in Canadian currency):
- Landed immigrants and Canadian citizens living in Quebec, French citizens, Francophone Belgian citizens : +/- $5,000 / year
- Landed immigrants and Canadian citizens not living in Quebec : +/- $12,000 / year
- Other nationalities : fees to be confirmed – please contact guylaine.delaunais@umontreal.ca

For further information regarding special funding, foreign applicants, with the exception of French and Belgian francophone applicants, please contact Mrs. Guylaine Delaunais at guylaine.delaunais@umontreal.ca

SALARY: The candidate receives $ 19 500 for 53 weeks. To these amounts are added 3.6 % for benefits and 3 % for the payment of public holidays.

Intern responsibilities:
(1) Out-of-hour duties based on the clinical schedule and shared with 4 other members of the team;
(2) Patient care during undergraduate student's vacation;
(3) Clinical teaching duties.

PROGRAM DURATION: June 25th, 2020 to June 30th, 2021

APPLICATION:
Any interested applicant must complete by **January 15th, 2020 at the latest** all following procedures:
- The application; https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission ($102.50 fee) and submit the following documents: a letter of intent, a resume (CV) with integrated picture;
- The email addresses of three references will be needed during the application process; the references will have to fill out a form sent to them directly by the Université de Montréal and need to return the completed form by following the instructions. No other forms or reference letters will be needed;
- Students having done a traineeship at the University Hospital must provide their traineeship assessment with their application.

International students must also provide:
- a copy of the passport and
- transcript for each year of veterinary degree specifying GPA and class rank

Important: Please indicate the position you are interested in on the application form

Candidate selection
The selected candidate will be contacted on **March 2nd, 2020** by phone and email. Each candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list will be notified by email and a written letter. Candidates not selected will be notified in writing.

For information on the admission process please contact:
Mrs. Guylaine Delaunais, Student Affairs, Faculté de médecine vétérinaire guylaine.delaunais@umontreal.ca
Phone: 450 773-8521 or 514 345-8521 extension 8224

***Students having done more than 3 months of training in the CHUV's small animal hospital during their 5th year are exempt from providing 3 letters/grids, however evaluations of the training are to be annexed to the application. Letters and grids from veterinarians outside the CHUV are however welcome.*
