

**INTERNSHIP IN VETERINARY CLINICAL SCIENCES (I.P.S.A.V. - 259016)
2022-2023**

JANUARY 17th, 2022: DEADLINE TO RECEIVE FULL APPLICATION

POSITION: EQUINE AMBULATORY INTERNSHIP

NUMBER OF POSITIONS AVAILABLE: 1

DESCRIPTION:

This internship in veterinary clinical sciences is an intensive graduate training program of 12 months (53 weeks) duration. A certificate is awarded upon completion of the program. The program includes clinical training and participation in clinical teaching rounds and teaching laboratories. Interns will work at the Centre Hospitalier Universitaire Vétérinaire (CHUV) and will be supervised by clinicians and the program coordinator. Also, interns will provide out of hours care and emergency care for on-farm patients on a rotating basis. The intern will spend 12 months in the Equine Ambulatory Service of the CHUV. Interns are eligible for 3 weeks of vacations determined by the section head. If the intern is not in service, he/she benefits of the same holidays as the clinicians. Any professional activities performed outside the internship program must be declared to the associate dean for clinical training and continuing education.

REQUIREMENTS:

- Doctor of Veterinary Medicine (DVM) or equivalent
- License from the Ordre des Médecins Vétérinaires du Québec **before** starting the program
- License to practice
- Working knowledge of French

TUITION FEES (Amounts shown are in Canadian currency):

- Landed immigrants and Canadian citizens living in Quebec, French citizens, Francophone Belgian citizens : +/- \$5,700 / year
- Landed immigrants and Canadian citizens not living in Quebec : +/- \$14,400 / year
- Other nationalities : +/- \$20,200 / year

For further information regarding special funding, foreign applicants, with the exception of French and Belgian francophone applicants, please contact Mrs. Marie-Ève Bouchard at marie-eve.bouchard.1@umontreal.ca

SALARY: The candidate receives \$ 19 500 for 53 weeks. To these amounts are added 3.6 % for benefits and 3 % for the payment of public holidays.

Intern responsibilities:

- (1) Out-of-hour duties based on the clinical schedule;
- (2) Patient care during undergraduate student's vacation;
- (3) Clinical teaching duties.

PROGRAM DURATION: July 13th, 2022 to July 19th, 2023 (For the intern on call, the program will end at 8:00 am the next day)

APPLICATION:

Any interested applicant must complete an application form and submit the following documents by **January 17th, 2022 at the latest** :

- Please contact Mrs. Marie-Ève Bouchard at marie-eve.bouchard.1@umontreal.ca to inform her of your intent to apply;
- Complete the application; <https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission> (\$109.50 fee) and submit the following documents: a letter of intent, a resume (CV) and transcripts;
- The email addresses of three references will be needed during the application process; the referees will have to fill out a form sent to them directly by the Université de Montréal and need to return the completed form. No other forms or reference letters will be needed;
- Students having done a traineeship at the University Hospital must provide their assessment with their application.

Important: Please indicate the position you are interested in on the application form

Candidate selection

The selected candidate will be contacted on **March 9th, 2022** by phone and email. The candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list will be notified by email and a written letter. Candidates not selected will be notified in writing.
