

**INTERNSHIP IN VETERINARY CLINICAL SCIENCES (I.P.S.A.V. - 259016)
2022-2023**

**APPLICATION MUST BE SUBMITTED VIA THE VETERINARY INTERNSHIP AND RESIDENCY MATCHING PROGRAM
BEFORE JANUARY 10, 2022 9:00 P.M EST**

POSITION: SMALL ANIMAL SURGERY, EMERGENCY AND CRITICAL CARE INTERNSHIP

NUMBER OF POSITIONS AVAILABLE: 1

DESCRIPTION:

This internship in veterinary clinical sciences is an intensive clinical training program in emergency and critical care (57 % percentage of the year) and surgery (43 % of the year) of 12 months (53 weeks) duration. A certificate is awarded upon completion of the program. The program includes clinical training and participation in clinical teaching rounds and teaching laboratories. Interns will work in the Centre Hospitalier Universitaire Vétérinaire (CHUV) and will be supervised by clinicians, professors and the program coordinator. The intern will be expected to work days, evenings, nights (depending upon the critical caseload) and weekends on a rotating basis. The intern will be expected to be on call for the surgery service during the year. Interns are eligible for three non-consecutive vacation weeks determined by the program director. Any professional activities performed outside the internship program must be declared to the associate dean for clinical training and continuing education.

REQUIREMENTS:

- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or equivalent clinical experience (2 years)
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Working knowledge of French- written and verbal

TUITION FEES (Amounts shown are in Canadian currency):

- Landed immigrants and Canadian citizens living in Quebec, French citizens, Francophone Belgian citizens : +/- \$5,700 / year
- Landed immigrants and Canadian citizens not living in Quebec : +/- \$14,400 / year
- Other nationalities : +/- \$20,200 / year

For further information regarding special funding, foreign applicants, with the exception of French and Belgian francophone applicants, please contact Mrs. Marie-Ève Bouchard at marie-eve.bouchard.1@umontreal.ca

REMUNERATION: The candidate receives \$ 19 500 for 53 weeks. To these amounts are added 3.6 % for benefits and 3 % for the payment of public holidays.

The intern is also allotted a total amount of \$500 to attend one conference in his specialty during his/her program.

Intern responsibilities:

- (1) Clinical activity and participation in out-of-hour and holiday duties (emergency surgeries and patient care) based on the clinical schedule;
- (2) Clinical teaching duties (participation in student teaching rounds and laboratories);
- (3) Participation in research activities and presentation of a seminar will be encouraged.

PROGRAM DURATION: July 13th, 2022 to July 19th, 2023

APPLICATION:

All applications must be submitted via the Veterinary Internship and Residency Matching Program by January 10th, 2022. Please see website for further details and registration. <https://www.virmp.org>

If you are only applying to the FMV of the Université de Montréal, it is not necessary to submit all of your documents in English.

Candidate selection

Results of the match will be posted on the VIRMP website on March 7th, 2022.

Only the selected candidate will be asked to complete his/her full registration at the Université de Montréal (admission fees of \$CA 109.50).
