

RESIDENCY PROGRAM  
Veterinary Clinical Sciences (259014)  
2025-2028

**DEADLINE TO RECEIVE FULL APPLICATION: OCTOBER 1<sup>st</sup>, 2024**

**POSITION: ANESTHESIOLOGY AND PAIN MANAGEMENT**

**NUMBER OF POSITIONS AVAILABLE: 1**

**DESCRIPTION:**

This residency is a 3-year (36 months), full time, postgraduate program of 108 credits obtained mostly from clinical training. A specialized study diploma (D.E.S.) is awarded upon completion of the program. Clinical training is provided in the field of veterinary anaesthesiology and pain management. This is an intensive clinical training in large and small animal anesthesia, including exotic animal anesthesia. Additional training is provided in other selected specialties to meet the requirements of the European College of Veterinary Anaesthesia and Analgesia (ECVAA). The resident will participate in the clinical care of hospitalized and ICU patients as well as outpatients. The resident is required to complete a research project. The successful candidate will participate in the daily supervision of undergraduate students and interns rotating through the anesthesia service as well as in selected teaching activities for undergraduate students. The resident will be included in the emergency schedule as needed by the service of anaesthesiology including the third of holidays. Residents are eligible for 3 weeks holiday per year, the timing of which will be determined following discussion with the program director to ensure the needs of the service and hospital are met. Additionally, if the resident is not on call, he/she is eligible for statutory holidays. Any veterinary medical activities performed outside the residency program must be communicated to the program director and to the Vice Dean for Clinical Training and Continuing Education. The program is supported by two ECVAA Diplomats, and two residency-trained anesthesiologists. A third professor is expected to join the team in the next months. After completion of one year in the residency, a master's program may be offered following discussion with the program director. Applicants may contact Dr. Inga-Catalina Cruz Benedetti for questions regarding the residency program in Veterinary Anesthesia and Pain Management at [inga-catalina.cruz.benedetti@umontreal.ca](mailto:inga-catalina.cruz.benedetti@umontreal.ca)

**REQUIREMENTS:**

- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or have equivalent experience (2 years)
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Working knowledge of French

**TUITION FEES (Amounts shown are in Canadian currency):**

- Quebec, Canadian outside Quebec: On average \$16,293 for the duration of training
- French/French-speaking Belgian students: On average \$18,872 for the duration of training
- International students: On average \$60,728 for the duration of training, including the UdeM exemption scholarship

For further information regarding special funding, foreign applicants, with the exception of French and Belgian francophone applicants, please contact Ms. Marie-Ève Bouchard at [marie-eve.bouchard.1@umontreal.ca](mailto:marie-eve.bouchard.1@umontreal.ca)

**SALARY:**

- \$27,000 /1<sup>st</sup> year
- \$29,000 /2<sup>nd</sup> year\*
- \$31,000 /3<sup>rd</sup> year\*

To these amounts are added \$1 782 for the 1<sup>st</sup> year, \$1 914 for the 2<sup>nd</sup> year and \$2 046 for the 3<sup>rd</sup> year (3.6 % for the payment of public holidays and 3 % for benefits).

A 2% contribution of gross salary will be deducted for union dues. Salary and conditions will follow the agreements stipulated in the collective agreement. Please note that depending on the specialty, a fee related to the specialty college may also be requested.

\* Continuation of the program to a second and third year depends on the mutual satisfaction of the resident and the Faculty.

*The resident has a \$3,200 allowance to attend conferences in his/her specialty, training program or book purchases (maximum \$CA 500).*

When applicable, the resident participates in on-call service (on-call and disturbed on-call duty) in the evenings, weekends and public holidays, according to needs and the schedule established by the service, without, however, exceeding seventeen point three (17.3) weeks of on-call service over a period of twelve (12) months. For the purposes of the above-mentioned on-call service, additional remuneration will be granted per week, and the maximum amount paid will be \$5,190 / year.

**PROGRAM DURATION:** January 6<sup>th</sup>, 2025 to January 6<sup>th</sup>, 2028

**APPLICATION:**

Any interested applicant must complete by **October 1<sup>st</sup>, 2024 at the latest** all following procedures:

- Please contact Ms. Marie-Ève Bouchard at [marie-eve.bouchard.1@umontreal.ca](mailto:marie-eve.bouchard.1@umontreal.ca) to inform her of your intent to apply;
- Complete a request for admission; <https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission> (\$102 fee) and submit the following documents: a letter of intent, a resume (CV) and transcripts;
- The email addresses of two references will be needed during the application process; the references will have to fill out a form sent to them directly by the Université de Montréal and need to return the completed form by following the instructions. No other forms or reference letters will be needed;
- Students who have completed a clinical rotation at our Veterinary Teaching Hospital (CHUV) must provide their evaluation with their application for admission.

**Important: Please indicate the position you are interested in on the application form**

**Candidate selection**

The selected candidate will be contacted on **October 15<sup>th</sup>, 2024** by phone and email. The candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list and candidates not selected will be notified by email.

**For information on the admission process please contact:**
