

RESIDENCY PROGRAM
Veterinary Clinical Sciences (259014)
2025-2028

DEADLINE FOR APPLICATION: JANUARY 13th, 2025, 8:00 am

POSITION: DERMATOLOGY

NUMBER OF POSITIONS AVAILABLE: 1

DESCRIPTION:

This residency program is a 3-year (36 months), full time, graduate program of 108 credits obtained mostly from clinical training. A specialized postgraduate diploma (D.E.S.) is awarded on completion of the program. The program, accredited by the American College of Veterinary Dermatology (ACVD), includes intensive clinical training as well as courses preparing the resident for the dermatological practice and the board examination of the ACVD. Clinical rotations are mostly done in dermatology. There is additional training in other selected specialties in order to meet the requirements of the ACVD. The resident will participate in the clinical examination of animals (on clinic duties, emergency, and hospitalized patients). The resident is required to complete a research project. The resident participates in the daily supervision of undergraduate students and the interns in the dermatology service. Residents are eligible for 3 weeks of vacations which will be determined with the section supervisor. Any professional activities performed outside the residency program must be declared to the Vice-dean of clinical affairs. A master program may be offered after satisfactory completion of the first year.
