BEFORE JANUARY 6, 2025 9:00 P.M EST**

**POSITION: EQUINE INTERNAL MEDICINE**

**NUMBER OF POSITIONS AVAILABLE: 1**

**DESCRIPTION:**

This residency is a 3-year (36 months), full time, post-graduate program of 108 credits obtained mostly from clinical training. A diploma (D.E.S.) is awarded on completion of the program. The intensive clinical training is concentrated in the field of **equine internal medicine**. There is additional training in other selected specialties in order to meet the requirements of the American College of Veterinary Internal Medicine (Large Animal Internal Medicine). The resident will participate in the clinical examination of animals (outpatients, emergencies and hospitalized patients) and in the daily supervision of interns and undergraduate students during their rotations in equine internal medicine. He (she) may also be asked to supervise the teaching laboratories of junior students. The resident will also participate in emergency duty according to the Equine Hospital requirements. The resident is required to complete a research project, for which financial support is available. Residents are eligible for 3 weeks of holidays per year. Veterinary medical activities performed outside the residency program are not allowed. A master's or a PhD program may be offered after satisfactory completion of the first year.

**REQUIREMENTS:**

- Doctor of Veterinary Medicine (DVM) or equivalent
