

**INTERNSHIP IN VETERINARY CLINICAL SCIENCES (I.P.S.A.V. - 259011)  
2025-2026**

**DEADLINE FOR APPLICATION : JANUARY 13<sup>th</sup>, 2025, 8:00 am**

**POSITION: FARM ANIMAL MEDICINE AND SURGERY: HOSPITAL AND AMBULATORY / FIELD SERVICE PRACTICE**

**NUMBER OF POSITIONS AVAILABLE: 1**

**DESCRIPTION:**

This internship in veterinary clinical sciences is an intensive graduate training program of 12 months duration. A certificate is awarded upon completion of the program. The program includes clinical training and participation in clinical teaching rounds and teaching laboratories. Interns will work in the Centre Hospitalier Universitaire Vétérinaire (CHUV) and will be supervised by clinicians and the program coordinator. Also, interns will provide out of hours care and emergency care for patients of the bovine services on a rotating basis. The intern will participate in rotations in the bovine ambulatory service, herd health field service and theriogenology service as well as clinical rotations in medicine and surgery at the Farm Animal Hospital of the CHUV. Interns are eligible for 3 weeks vacation determined by the section head. If the intern is not in service, he/she benefits of the same holidays as the clinicians. Any professional activities performed outside the internship program must be declared to the Vice dean of clinical studies.

**REQUIREMENTS:**

- Doctor of Veterinary Medicine (DVM) or equivalent
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- License to practice
- Internship in French

**TUITION FEES (Amounts shown are in Canadian currency):**

- Quebec, Canadian outside Quebec: On average \$6,665 for the duration of training
- French/French-speaking Belgian students: On average \$7,521 for the duration of training
- International students: On average \$24,962 for the duration of training, including the UdeM exemption scholarship

For further information regarding special funding, foreign applicants, with the exception of French and Belgian francophone applicants, please contact Mrs. Marie-Ève Bouchard at [marie-eve.bouchard.1@umontreal.ca](mailto:marie-eve.bouchard.1@umontreal.ca)

**SALARY: The candidate receives \$ 19 500 for 53 weeks. To these amounts are added 1 287 \$ (3.6 % for the payment of public holidays and 3 % for benefits).**

A 2% contribution of gross salary will be deducted for union dues. Salary and conditions will follow the agreements stipulated in the collective agreement.

Intern responsibilities:

- (1) Out-of-hour duties based on the clinical schedule;
- (2) Patient care during undergraduate student's vacation;
- (3) Clinical teaching duties.

**PROGRAM DURATION:** July 9<sup>th</sup>, 2025 to July 15<sup>th</sup>, 2026 (For the intern on call, the program will end at 8:00 am the next day)

**APPLICATION:**

Any interested applicant must complete an application form and submit the following documents by **January 13<sup>th</sup>, 2025, 8:00 am at the latest** :

- Please contact Mrs. Marie-Ève Bouchard at [marie-eve.bouchard.1@umontreal.ca](mailto:marie-eve.bouchard.1@umontreal.ca) to inform her of your intent to apply;
- Complete the application; <https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission> (\$102 fee) and submit the following documents: a letter of intent, a resume (CV) and transcripts;
- The email addresses of three references will be needed during the application process; the referees will have to fill out a form sent to them directly by the Université de Montréal and need to return the completed form. No other forms or reference letters will be needed;
- Students who have completed a clinical rotation at our Veterinary Teaching Hospital (CHUV) must provide their evaluation with their application for admission.

**Important: Please indicate the specific position you are interested in on the application form**

**Candidate selection**

The selected candidate will be contacted on **March 4<sup>th</sup>, 2025, 8:00 am** by phone and email. The candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list and candidates not selected will be notified by email.
