

INTERNSHIP IN VETERINARY CLINICAL SCIENCES (I.P.S.A.V. - 259017)
2025-2026

**APPLICATION MUST BE SUBMITTED VIA THE VETERINARY INTERNSHIP AND RESIDENCY MATCHING PROGRAM
BEFORE JANUARY 8, 2024 9:00 P.M EST**

POSITION: SPECIALIZED INTERNSHIP IN EMERGENCY AND CRITICAL CARE

NUMBER OF POSITIONS AVAILABLE: 3 (This number may vary according to budget availability.)

DESCRIPTION:

This internship in veterinary clinical sciences is an intensive clinical training program in emergency and critical care of 12 months (53 weeks) duration. A certificate is awarded upon completion of the program. The program includes clinical training and participation in clinical teaching rounds and labs. Interns will work in the Centre Hospitalier Universitaire Vétérinaire (CHUV) and will be supervised by clinicians, professors and the program coordinator. This internship prepares the candidate for a residency program or working in emergency. The intern will be expected to work day, evening, night and weekend shifts, on a rotating basis and is expected to carry out a clinical research project and participate in daily supervision of students and rotating interns. Interns are eligible for three non-consecutive vacation weeks determined by the program director. Any professional activities performed outside the internship program must be declared to the Vice dean of clinical studies.

REQUIREMENTS:

- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or equivalent clinical experience (2 years)
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Internship in French

TUITION FEES (Amounts shown are in Canadian currency):

- Quebec, Canadian outside Quebec: On average \$6,665 for the duration of training
- French/French-speaking Belgian students: On average \$7,521 for the duration of training
- International students: On average \$24,962 for the duration of training, including the UdeM exemption scholarship

For further information regarding special funding, foreign applicants, with the exception of French and Belgian francophone applicants, please contact Mrs. Marie-Eve Bouchard at marie-eve.bouchard.1@umontreal.ca

REMUNERATION: The candidate receives \$ 19 500 for 53 weeks. To these amounts are added 1 287 \$ (3.6 % for the payment of public holidays and 3 % for benefits).

A 2% contribution of gross salary will be deducted for union dues. Salary and conditions will follow the agreements stipulated in the collective agreement.

The specialized intern is also allotted a total amount of \$500 to attend one conference in his specialty during his/her program.

Intern responsibilities:

- (1) Clinical activity and participation in out-of-hour and holiday duties (emergency surgeries and patient care) based on the clinical schedule;
- (2) Clinical teaching duties (participation in student teaching rounds and laboratories);
- (3) Participation in research activities and presentation of a seminar will be encouraged.

PROGRAM DURATION: July 9th, 2025 to July 15th, 2026

APPLICATION:

All applications must be submitted via the Veterinary Internship and Residency Matching Program by January 6th, 2025. Please see website for further details and registration. <https://www.virmp.org>

If you are only applying to the FMV of the Université de Montréal, your documents can be submitted in French.

Candidate selection

Results of the match will be posted on the VIRMP website on March 3rd, 2025.

Only the selected candidate will be asked to complete his/her full registration at the Université de Montréal (admission fees of \$CA 102).
