

**Internship in veterinary clinical sciences
(I.P.S.A.V. – Program 259017)
2025-2026**

DEADLINE FOR APPLICATION: JANUARY 13th, 2025, 8:00 am

POSITION: EQUINE INTERNAL MEDICINE

NUMBER OF POSITIONS AVAILABLE: 2

DESCRIPTION:

This rotating internship in veterinary clinical sciences is an intensive graduate training program of 12 months (53 weeks) duration. A certificate is awarded upon completion of the program. The program mainly consists in clinical training in equine internal medicine (internal medicine, neonatology, equine ophthalmology), and participation in clinical teaching rounds and teaching laboratories. This specialized internship includes participation in clinical teaching, journal clubs, and admission of day-time appointments and emergencies. The internship takes place at the Centre Hospitalier Universitaire Vétérinaire (CHUV) and the intern will participate to the admission of after-hours emergencies and the out of hours care on a rotating basis (according to the terms of the equine hospital). A few rotations in other services will take place for a more complete training (anesthesia, imaging). Participation to a research project leading to a publication will be encouraged. Interns are eligible for 3 weeks of vacation determined by the hospital. Veterinary medical activities performed outside the internship program must be declared to the Vice dean of clinical studies.

REQUIREMENTS:

- Doctor of Veterinary Medicine (DVM) or equivalent
- License to practice
- Internship in French

TUITION FEES (Amounts shown are in Canadian currency):

- Quebec, Canadian outside Quebec: On average \$6,665 for the duration of training
- French/French-speaking Belgian students: On average \$7,521 for the duration of training
- International students: On average \$24,962 for the duration of training, including the UdeM exemption scholarship

For further information regarding special funding, foreign applicants, with the exception of French and Belgian francophone applicants, please contact Mrs. Marie-Ève Bouchard at marie-eve.bouchard.1@umontreal.ca

SALARY: The candidate receives \$ 19 500 for 53 weeks. To these amounts are added 1 287 \$ (3.6 % for the payment of public holidays and 3 % for benefits).

A 2% contribution of gross salary will be deducted for union dues. Salary and conditions will follow the agreements stipulated in the collective agreement.

The specialized intern is also allotted a total amount of \$500 to attend one conference in his specialty during his/her program.

Intern responsibilities:

- (1) Out-of-hour duties based on the clinical schedule;
- (2) Patient care during undergraduate student's vacation;
- (3) Clinical teaching duties.

PROGRAM DURATION: July 9th, 2025 to July 15th, 2026 (For the intern on call, the program will end at 8:00 am the next day).

APPLICATION:

Any interested applicant must complete an application form and submit the following documents by **January 13th, 2025, 8:00 am at the latest**:

- Please contact Mrs. Marie-Ève Bouchard at marie-eve.bouchard.1@umontreal.ca to inform her of your intent to apply;
- Complete the application; <https://admission.umontreal.ca/admission/depot-de-la-demande/demande-dadmission> (\$102 fee) and submit the following documents: a letter of intent, a resume (CV) and transcripts;
- The email addresses of three references will be needed during the application process; the referees will have to fill out a form sent to them directly by the Université de Montréal and need to return the completed form. No other forms or reference letters will be needed;
- Students who have completed a clinical rotation at our Veterinary Teaching Hospital (CHUV) must provide their evaluation with their application for admission.

Important: Please indicate the specific position you are interested in on the application form

CANDIDATE SELECTION

The selected candidate will be contacted on **March 4th, 2025, 8:00 am** by phone and email. The candidate will have 24 hours to accept or decline the position. If a candidate withdraws, the next candidate on the rank list will be contacted until all positions are filled. The rank list will not be disclosed. This process can take several days. Candidates on the waiting list and candidates not selected will be notified by email.

For information on the admission process please contact:

Mrs. Marie-Ève Bouchard, Student Affairs, Faculté de médecine vétérinaire marie-eve.bouchard.1@umontreal.ca
Phone: 450 773-8521 or 514 345-8521 extension 8224

***Students having done more than 3 months of training in the CHUV's equine hospital during their 5th year are exempt from providing 3 letters/grids, however evaluations of the training are to be annexed to the application. Letters and grids from veterinarians outside the CHUV are however welcome.*
