BEFORE JANUARY 5, 2026 9:00 P.M EST**

POSITION: SPECIALIZED INTERNSHIP IN EMERGENCY AND CRITICAL CARE

NUMBER OF POSITIONS AVAILABLE: 3

DESCRIPTION:

This internship in veterinary clinical sciences is an intensive clinical training program in emergency and critical care of 12 months (53 weeks) duration. A certificate is awarded upon completion of the program which includes clinical training and participation in weekly clinical teaching rounds, journal clubs, and labs. Interns will work in the Centre Hospitalier Universitaire Vétérinaire (CHUV) and will be supervised by clinicians, professors and the program coordinator. This internship prepares the candidate for a residency program or working in emergency. The intern will be expected to work day, evening, night and weekend shifts, on a rotating basis and is expected to carry out a clinical research project and participate in daily supervision of students and rotating interns. Interns are eligible for three non-consecutive vacation weeks determined by the program director. Any professional activities performed outside the internship program must be declared to the Associate-dean of clinical affairs.

REQUIREMENTS:

- Doctor of Veterinary Medicine (DVM) or equivalent
- Have recently completed an internship or equivalent clinical experience (2 years)
- License from the Ordre des Médecins Vétérinaires du Québec before starting the program
- Internship in French
